

Premium Iranian Dates  
Naturally Perfect, Globally Preferred

## About Atrin Trading

Established in 2017, Atrin Trading Company is a trusted Iranian exporter specializing in premium nuts, dried fruits, and natural food ingredients. With a strong focus on quality, consistency, and customer satisfaction, we have built long-term partnerships in markets across the GCC countries, CIS region, and Europe.

Our competitive advantage lies in direct sourcing from farms, strict quality control, and flexible packaging solutions tailored to client needs. Backed by a professional export team and necessary certifications, Atrin handles the entire export process from A to Z including sourcing, quality checks, documentation, logistics, and customer support.

We are committed to delivering the authentic taste of Iran to the world.
